ABOUT YOUR PROPERTY APPRAISAL NOTICE

ABOUT YOUR PROPERTY APPRAISAL- the appraiser is required to appraise property at market value as of January 1st. The appraiser has applied generally accepted mass appraisal methods and techniques based upon individual characteristics that affect the market value of your property.

The following information is provided to assist you in reviewing your notice of appraised value.

- *What is the Appraisal District and what are its primary duties?*
The Appraisal District is not a county office it is however, a separate political subdivision of the State of Texas who's primary duties include placing all taxable property on the appraisal roll, appraising all properties at market value, approval or denial of exemption applications, approval or denial of agricultural use appraisal applications, and processing agricultural use rollbacks for change of use.
- *Why did I receive this notice of appraised value?*
This value notice was sent to inform you of the appraised value your School District, Delta County, City or Special District will use in calculating your property taxes this year.
- *What is the appraised value based on?*
Section 1.04 of the Texas Property Tax Code Requires the Appraisal District to appraise all properties at MARKET VALUE. The tax code defines market value as the price at which property would transfer under prevailing market conditions on January 1st, considering the seller has a reasonable time find a purchaser, and both are knowledgeable of the possible uses of the property and neither are in the position to take advantage of the other.
- *What must I do to qualify for a general homestead exemption?*
To qualify for the general homestead exemption you must:
 - Own the home January 1st
 - Use the home as your principle residence on January 1st
 - Not claim a homestead anywhere else
 - AND file an exemption application with the Appraisal District (including all documents verifying residency as required by HB252)

NOTE: ALL SCHOOL DISTRICTS MUST ALLOW THE GENERAL HOMESTEAD EXEMPTION. HOWEVER, ALL OTHER TAXING ENTITIES HAVE THE OPTION OF ALLOWING THE GENERAL HOMESTEAD EXEMPTION.

- *What if I am age 65 or older?*
You may receive the over 65 OR a disability exemption immediately upon qualification by filing an application with the Appraisal Office. You must apply before the first anniversary of you qualification date to receive the exemption for that year. If you are the surviving spouse of someone who received the over-65 exemption, you can continue the exemption if you were 55 years old at the time of your spouse's death and if the death occurred after December 1, 1987. THIS TRANSFER IS NOT AUTOMATIC-YOU MUST APPLY.

NOTE: ALL SCHOOL DISTRICTS MUST ALLOW AN OVER 65 AND DISABLED PERSON EXEMPTION AND A TAX FREEZE CEILING. HOWEVER ALL OTHER TAXING ENTITIES HAVE THE OPTION OF ALLOWING THE OVER 65 EXEMPTION AND DISABLED PERSON AND/OR TAX FREEZE CEILING.

- *Who adopts the tax rates?*
The governing body of each taxing entity determines their rate for each year. The Appraisal District does not recommend, determine or adopt tax rates. Please contact the appropriate taxing entity for questions or concerns related to their tax rate.
